

Greetings,

I hope this email finds you well and safe. This is quite the time we are living through.

Here's the latest info from your NSEV Healing and Acupuncture Clinic.

Our regular phone number 305-532-0777 is actively being answered by Sofi from the safety of her home Monday through Friday, 9am-5pm. She continues to be available to answer any questions you may have and to book appointments. For Natalie Gardiner, it is preferable to use her regular business line 888-538-1188 as all the voicemails get transcribed and checked on a regular basis.

Orion Herbs continues to serve your custom herbal and supplement needs. They have enacted the highest safety standards in order to ensure that your orders are filled safely and as promptly as possible. Please call them directly at 305-672-3901 with any questions.

All our clinicians are offering online consultations and HIPPA compliant telemedicine visits. You may book appointments online or by calling Sofi at 305-532-0777.
